Boats

All boats, canoes, kayaks must have a legible/visible site number on them. Through the camping season (May to October) boats are ONLY to be stored at the fishing dock area or at your campsite. Boats have begun collecting at the overnight sites; these sites are for the use of our visiting nightly and overnight guests and should be free for them to use. Boats must be moved from the fishing dock by the end of the 2017 season. This will prevent any chance of winter damage from snowmobiles etc.

Thank you to campers who came out to Bingo, we had a record number of people and it was a great crowd.

Please be sure to sign up for baseball; signup sheets are at the Committee Desk on Saturday. Must be 13 years or older to play. I however do need numbers for the lunch. Thank you.

From the Minto Lions Club

Anyone interested in volunteering, doing service work in the community and having fun, consider joining the PIKE LAKE (Minto) Chapter of Lions Clubs International. We are looking for new members; we meet once a month, and are active throughout the summer & fall with many local area projects. For more information please contact Monique Dunlop at Monique.yd@hotmail.com or call Dory or Orb at (519)338-2383. You can also visit www.lionsclubs.org or districta9lions.com. As part of our ongoing fundraising initiatives, we are once again placing containers at the new garbage and recycling area for our collection of aluminum pop/beer cans and liquor/beer bottles.
