## Thank You!

A BIG thank you to our friends and neighbours at Pike Lake who came up to the barn for this year's "Thrings & Strings".

Along with your generous donations, we collected \$525 and 118lbs of food for the Harriston Food Bank. As many Harriston residents are still struggling through clean up after the recent flooding, this year's donations are of greater need.

Once again, thank you.

Your neighbours,

Robbie & Dave Thring

**Louise Marshall Hospital Fundraiser**

If barbecuing is part of entertaining for you this summer AND you appreciate health care at Louise Marshall Hospital, then maybe you would like to consider transforming your backyard barbeque into a fundraiser for Louise Marshall Hospital.

When you purchase special BBQ food deals at M&M Food Markets or Meat the Butcher (both located on the Main Street, Mount Forest), a portion of the sale also is donated to the hospital.

**Tips for a Successful “Smokin’ Grills” Event**

For 50 easy-to-do ideas for games and activities, visit this website: <https://www.brit.co/diy-outdoor-games>

Consider a “tasting” activity where one particular type of food or beverages are rated. For example, for \$5, taste samples of five different kinds of mini-ribs. Or have guests compete - for a fee - with their favourite potato salad or dessert

Incorporate other activities like a silent auction or a garage sale

Ask guests to pay \$1 for each drink even if you plan to provide beverages

Remember posting your plans on social media builds interest and may inspire others to hold a “Smokin’ Grills” event too. Thanks for letting the Foundation know too.

Need help planning your “Smokin’ Grills” Event? Contact the Foundation by emailing [jford@nwhealthcare.ca](mailto:jford@nwhealthcare.ca) or call 519-323-3333 ext. 2750 | **Thanks for helping your hospital!**
