

### **Power Outage Reminder**

Due to a motor vehicle accident, we were without hydro from approx. 3:00pm to 10:00pm in some areas of Pike Lake on July 19th. Remember when hydro is out, you will not have water at your site. Staff will check all well houses when power is restored and we recommend if you see any discoloration in your water to run your taps until the water runs clear—open all taps including hot water taps. If affected by the power outage, our public washrooms will be locked. The pool must also closed if affected by the outage.

We will do our best to keep everyone up to date by email (if we have your email address), the [home page of our website](#), and on our [facebook page](#).

## This week in the local paper

**[Wellington Advertiser]** "The Pike Lake Minto Lions Club recently presented a bench to Pike Lake Golf Resort in memory of the late Irv Cowen, who founded the resort with his wife Joan. Lion Dory Eickmeier said Cowen was a strong supporter of the group and "very instrumental" in helping them obtain their charter as Lions. From left: resort co-owner Tom Cowen with Lions Jim Mitchell, Eickmeier, Paul Rossiter and Monique Dunlop. The club is made up of people who make their summer home at Pike Lake and operates six months a year. The Pike Lake Minto Lions regularly make donations to North Wellington District Secondary School, Warm Winter Wishes program and charities to assist with vision loss. The club is hosting a Walk for Dog Guides on Aug. 6 at Pike Lake. Photo by Patrick Raftis"
