

Check Outside Water Taps

Campers, please check your water taps at the post where the hose connects. Check for any water leaks at the post and at the connection to your trailer.

If there are any problems with the tap at the post - make a work order request with the Office and we will repair it. If the leak is coming from the hose (as they do wear down over time) please repair or replace the hose. A Pike Lake staff member can put a new hose on for a fee - if you would like this, please make a work order with the Office.

Dog Waste Disposal

Do not dispose of dog waste in garbage cans in or outside of our public laundry rooms and washrooms or any other trash receptacles within the campground. **Dog waste should be picked up, brought to your trailer or home and disposed of in the bins behind the motel.**

From the Minto Lions Club

Anyone interested in volunteering, doing service work in the community and having fun, consider joining the PIKE LAKE (Minto) Chapter of Lions Clubs International. We are looking for new members; we meet once a month, and are active throughout the summer & fall with many local area projects. For more information please contact Monique Dunlop at Monique.yd@hotmail.com or call Dory or Orb at (519)338-2383. You can also visit www.lionsclubs.org or districta9lions.com

As part of our ongoing fundraising initiatives, we are once again placing containers at the new garbage and recycling area for our collection of aluminum pop/beer cans and liquor/beer bottles. For pick-up of any of the items listed above, contact (519)338-2383.

Wildlife Sightings at Pike Lake

Spring has sprung! And with it we've had many sightings of baby animals! Remember, always appreciate wildlife from a distance, don't put out food to attract wildlife, and don't try to approach or touch wild animals.

A rare sight - two newborn fawns discovered near the golf course.

A snapping turtle at the fishing dock caught digging a hole to lay and bury her eggs!

We've had a fox that's taken up residence on the golf course - spotted on the 18th fairway this week.

2017 Wing Nights at the Clubhouse

After much deliberation, we have moved our weekly wing night to improve service - scheduling wing night on a different night from Men's night and tournaments will hopefully provide convenient seating for dinner. We invite you to save our wing night schedule for reference this season:

Louise Marshall Hospital Fundraiser

If barbecuing is part of entertaining for you this summer AND you appreciate health care at Louise Marshall Hospital, then maybe you would like to consider transforming your backyard barbeque into a fundraiser for Louise Marshall Hospital.

When you purchase special BBQ food deals at M&M Food Markets or Meat the Butcher (both located on the Main Street, Mount Forest), a portion of the sale also is donated to the hospital.

Tips for a Successful "Smokin' Grills" Event

For 50 easy-to-do ideas for games and activities, visit this website:

<https://www.brit.co/diy-outdoor-games>

Consider a "tasting" activity where one particular type of food or beverages are rated. For example, for \$5, taste samples of five different kinds of mini-ribs. Or have guests compete - for a fee - with their favourite potato salad or dessert

Incorporate other activities like a silent auction or a garage sale

Ask guests to pay \$1 for each drink even if you plan to provide beverages

Remember posting your plans on social media builds interest and may inspire others to hold a "Smokin' Grills" event too. Thanks for letting the Foundation know too.

Need help planning your "Smokin' Grills" Event? Contact the Foundation by emailing jford@nwhealthcare.ca or call 519-323-3333 ext. 2750 | **Thanks for helping your hospital!**
