

## **Louise Marshall Hospital Fundraiser**

If barbequing is part of entertaining for you this summer AND you appreciate health care at Louise Marshall Hospital, then maybe you would like to consider transforming your backyard barbeque into a fundraiser for Louise Marshall Hospital.

When you purchase special BBQ food deals at M&M Food Markets or Meat the Butcher (both located on the Main Street, Mount Forest), a portion of the sale also is donated to the hospital.

### **6 Easy Steps to a Successful "Smokin' Grills" Event**

- 1. Pick a date and theme.**
- 2. Decide on a fundraising activity which may be determined by your guests (families, adults) and number attending.**
- 3. Register your event (no charge) with the Foundation.** Tell us about your fundraising ideas. When you register you can use the Foundation logo on invitations or other promotional information on social media.
- 4. Invite guests and explain the fundraising plans so they can prepare to participate.** Ask guests to bring loonies for games or set out a basket for freewill donations. For more ideas, ask for a brochure.
- 5. Create a great menu.** Consider purchasing a food deal from *M&M Food Markets* or *Meat the Butcher*. These local food vendors are offering barbequing specials during July and August. When you buy a food special, these vendors will donate a portion of the sales to Radiothon.
- 6. When your event is over, tally up the fundraising dollars and drop a cheque off at the Foundation office.** Be sure to let your guests know the results of the fundraiser.

Thank you to all who came out for the Trout release, and I am sorry for the delay but a truck and trailer slid off the lane way of the Trout supplier with over 10,000 trout on it and he had to cut some trees down to pull him out. Once again, sorry for the delay.
