Thanks to everyone who came out to Kids day and for lunch, it seems everyone enjoyed themselves even though it did rain it did not damper the day.

Baseball: we have 35 people signed up for baseball, they will receive a ticket for lunch and will be served first. We will then serve the spectators.

Please be sure to remove your boats from the fishing dock by the end of the season, also make sure you have your lot number clearly marked on your boat. I have noticed a few boats blocking the small pathway and some on the gravel, please be sure to move them or they will be moved. The children cannot get onto the small green area to fish.

## Golf Cart Safety

**There is still an alarming number of adults allowing their children to drive golf carts. If we find youth driving carts, the cart will be immediately taken and can be retrieved at the end of the season (Oct. 15) or the cart owner can remove it permanently from Pike Lake at the cart owner's expense.**

**This will be strictly enforced.**

Under the Ministry of Transportation guidelines, the use of golf carts is restricted to PEOPLE HOLDING A VALID ONTARIO DRIVERS LICENSE. Absolutely no one without a valid drivers licenses may operate a golf cart.

### End of Season Reminders

- Boats must be moved from the fishing dock by the end of the season. Boats must be stored at the boat owner's site for the winter. - Turn main breaker off inside the trailer
- Disconnect and put away hoses
- Empty and turn off fridge and prop open door
- Unhook and store away water purifiers
- Secure propane tanks
- If Pike Lake is winterizing, put newspaper down on the floor as staff do not remove their work boots.
