## Long Weekend Reminder

With the Canada Day long weekend quickly approaching, we would like to remind everyone that we are expecting a very busy weekend at Pike Lake. We would like everyone to enjoy their weekend and not be frustrated with breakers being tripped and low water pressure.

Please be conscious of your resources and do not over-use them. With such a high volume of people in the campground, this is not the weekend to be washing your trailer, cars, decks, driveways, watering lawns, etc. and wasting vital resources and creating poor water pressure.

As we have experienced in the past, we must remind campers to be conscious of how much your air conditioner is being used - specifically when it is not necessary or when many other electrical appliances are also running. If you're not in the unit for extended periods of time, either put the temperature up on your A/C or turn it off. Don't push your air conditioner to work harder than it can - don't set your thermostat below 20-22°C and close your blinds to keep the sun from beaming in.

Leaving doors or windows open while the A/C is running will also make the appliance work much harder than necessary.

### *Pike Lake Minto Lions*

For anyone interested in volunteering, doing service work in the community and having fun, consider joining the Pike Lake (Minto) Chapter of the Lions Clubs International. We are looking for new members; we meet once a month, and are active throughout the summer & fall with many local area projects. For more info please contact Monique at [monique.yd@hotmail.com](mailto:monique.yd@hotmail.com) or call Dory or Orb 519-338-2383. You can also visit [www.lionsclubs.org](http://www.lionsclubs.org) or [district9lions.com](http://district9lions.com) We are once again placing containers at the garbage and recycling area for our collection of aluminum pop/beer cans and liquor/beer bottles. Special Thanks to all who support the Pike Lake Minto Lions.
