Men's League 2020

Sign Up

Men's night will be transitioning to **Men's League** starting back up on Thursday July 2. Players wishing to participate must sign up on or before June 26th. A one-time fee of \$100 must accompany registration - payable through the pro shop. Men's League will run for 11 weeks, every Thursday until September 10. A new game will be assigned each week, and will include a mix of gross and net scores to accommodate all levels of play.

Format

This year, Men's Night (League) will be played as a summer-long team format. Teams will be randomly drawn by the pro shop staff and will **NOT CHANGE** for the entire season. Each team will count so many scores per week based on the number of players we get registered. (Example: 80 players = eight teams of 10 players. Count 60% of your top 6 net scores out of 10). We will post team pairings and results via email and on our website.

There will also be a \$5/player optional individual quota point game each night. Pay-outs will be based on the total number of players weekly. Each players' winnings will accumulate and be paid out at seasons end. Totals will be emailed out in the weekly results and found online.

Each week, it is **your responsibility to book your own tee time**. We ask you call at least 48 hours in advance and can play your round at any time on Thursday. The pro shop will block off tee times based on registration numbers. While you do not have to play with your assigned team, you must be playing with at least one other Pike Lake member or Mens League player. We will do our best to organize group pairings for singles and twosomes.

Rounds can be played on the Links or Lake Course as 18 or 9 holes, but it is the first nine that will be counted for your score each week. We ask that you keep a separate Men's League scorecard that must be attested and returned to the pro shop after the round. All games will be a gross format so that you can still play your normal weekly games. Weekly results and overall team standings will be posted on the Pike Lake website!

Pay Out

Teams earning the most points from the 11 weekly game nights will split the pot based on a graduated scale. The number of teams to be paid will depend on the number of teams entered. Individual payouts on the winning teams will be based on total rounds played.

PIKE LAKE OFFICE AND CAMPGROUND

Q & A:

Food:

There are no planned meal options at this time, but the patio is open and the clubhouse for take-out options with phone in pre-order available. We will continue to assess Covid regulations as the season progresses.

Payment:

Payment is preferred over the phone, but we can accommodate in-person payment by debit or credit card.

Quota Points:

Each golfer will be given a starting quota based on your handicap which will be a combination of your Golf Canada handicap and 2019 Men's Night handicap. Adjustments will be made based on your weekly results. Example: You are a 14 handicap based on 18 holes you are a 7 handicap for 9 holes. The starting amount is 18, less your handicap ($18-7=11$) so you are required to get 11 quota points. If you have 14 quota points then you are +3 for the week.

There will be an adjustment scale based on your play each week. For every +2 over your quota your weekly quota number will go up +1 and same if you are in the negative. Example: you require 11 points and you made 16 points (+5) then next week you need 13 points. You require 11 points and you get 5 point (-6) then next week you need 8 points. We will provide a list of quota requirements with the results weekly.

Eagle = 4 points

Birdie = 3 points

Par = 2 points

Bogie = 1 point

Double bogey or worse = 0 points

Weekly Team Points:

1st Place = 8 Points

2nd Place = 7 Points

3rd Place = 6 Points

4th Place = 5 Points

5th Place = 4 Points

6th Place = 3 Points

7th Place = 2 Points

8th Place = 1 Points

Year-End:

At this time, we do not have enough information to determine if a year-end banquet is a possibility but we will keep you up to date, as we know anything.

Inclement Weather:

Play is expected to be completed each Thursday unless the course has been completely closed.
