

COVID-19 Response

March 25, 2020

Dear Campers,

In our previous letter (sent March 23) we shared with you that we are deferring the April 15 camping payment until July 2020. This would mean the April payment would be doubled up with July.

We have had some campers contact us that do not wish to defer the payment and continue with their monthly Direct Deposit. If you do not want to defer your April payment, (and have not already contacted us) please email Michelle at info@pikelake.com at your earliest convenience. **As it stands right now, unless you contact us, your April 15 payment will be deferred.**

As direction and regulations from the Public Health Agency of Canada and the Government of Canada changes regarding Coronavirus (COVID-19), we will continue to re-assess our next moves. Our most recent decision is to remain closed.

We really don't know what is going to happen as we navigate this uncharted territory. We continue to monitor the situation as closely as we can and as information comes in, we will provide further updates regarding May payment and going forward. We appreciate everyone's understanding.

To contact us during the closure, please visit our website www.pikelake.com for contact information or email info@pikelake.com

We also encourage you to keep checking your email and our web page for the most up to date information.
