ULTRA LIGHTWEIGHT GOLF SHOES

Energize men's golf shoes deliver a performance ultralight feel with athletic styling. FJ, The #1 Shoe in Golf.

FEATURES & BENEFITS

AUSTIN LAST

Built on the Austin Last, this last offers the fullest rounded toe character, fullest fit across forefoot, standard instep and heel.

ENHANCED TRACTION

This DuraMax rubber outsole is a proprietary compound that provides turf gripping performance and durability.

TURF GRIPPING ADVANTAGE

Pulsar cleats by Softspikes® are the #1 selling cleat in golf and the overwhelming choice of touring professionals worldwide. The Pulsar cleats feature all the same turf grip and walking comfort advantages of Black Widow plus the additions of radiused legs for extra durability and cleat webbing for easier cleaning.

EASY CARE CONSTRUCTION

This easy care synthetic upper offers outstanding 1 year waterproof comfort, breathability, and durability

PRODUCT INFORMATION:

[Pro Tips](#)

Perform at a high level by hitting the course in FootJoy Athletics Golf Shoes. Flexible, lightweight synthetic mesh uppers provide the ventilation and support needed for all-day comfort on the course. Lightweight cushioned fit beds elevate underfoot support for stability through the entire swing. Proprietary DuraMax rubber outsoles equipped with integrated traction elements enable superior turf grip and performance on any type of course terrain.

SYNTHETIC MESH UPPER

Provides lightweight flexibility and cool comfort

LIGHTWEIGHT CUSHIONED FIT-BED

Provides extreme underfoot comfort and shock absorption
