## YARD WASTE REMINDER

Please only dispose of yard waste into paper bags, at a manageable weight and drop off at our designated area in the field next to the sales yard (contact office for direction if needed).

This is our only designated area for yard waste - other areas in the park, notably the fence line in C-Section by #8 Lake, have been recently used as a dump areas. Please keep these areas clean so our staff can trim.

Sign up sheets are at the Committee Desk every Saturday for children's events.

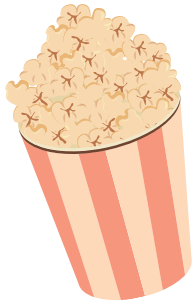

We have put out the new dog poop stations with bags should you forget your own bag. Please only take one at a time, if this is abused we will not be putting any more disposable bags out. The containers are emptied on Friday and Mondays. Please don't put any household garbage in the containers.

We have a couple interested in playing horseshoes, if you are interested please let me know so that I can forward your names on to them.

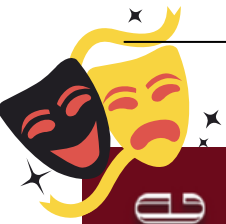

Still looking for help on the desk on Saturday's, if you are interested please contact me at 519-590-9447 or text me, or email jacquie.go4th@yahoo.ca.

## CANOE/KAYAK STORAGE RACKS

We have a couple spaces available (top spots only) on the boat racks by the beach for canoe/kayak storage. Use of the boat rack storage is \$75 +hst for the season. Contact the Office for details.
